Dear :

I have received the list of winners of the 1978 Career Service Awards of the National Civil Service League from the Chairperson of the Nominations Committee.

You will be pleased to note that Mr. John Blake, Deputy Director
for Administration, C.I.A.

is a recipient of an award. The preliminary announcement is pretty sketchy on details, but we will be getting out a much-expanded brochure within the next two weeks. When we receive it from the printer, I will see that you get a copy.

I would appreciate it if you would treat this information as confidential - at least for a few days - until we get a press release out to the major papers.

Thanks,

A handwritten signature in dark ink, reading 'Rose Williams Boyd'. The signature is fluid and cursive, with a large, stylized 'R' at the beginning.

Career Service Awards program

The National Civil Service League has been a leader in the promotion of good government since the League was established in 1881. One of the ways it has promoted this concept in recent years has been through the Career Service Awards Program.

This annual program provides national recognition for ten federal employees who have distinguished themselves in public service.

The winners are selected based on demonstrated efficiency, achievement, character and service. They are nominated by agency and department heads and are given extensive publicity through radio, magazines, and newspapers.

Award recipients are honored guests at a presentation ceremony which is attended by leaders of government, business and the professions.

Nomination Criteria

The nominee must be employed in one of the career services of the federal government. This employment must span at least ten years. However, the service may include time in military service and employment in state or local as well as in the federal government.

Nominees must have a record of integrity and devotion to the principles of public service.

They must have demonstrated exceptional efficiency, sustained superior performance and accomplishment. Since many nominations will be considered, it is important that the nomination procedure be followed as outlined to facilitate selection.

Nominations should be made as early as possible. Final deadline for submission is September 15, 1978. The Awards ceremony will be held on November 2, 1978.

THE NATIONAL CIVIL SERVICE LEAGUE

The League is a nonpartisan, nonprofit citizens' organization founded in 1881 to promote efficiency in federal, state and local government. Its publications and action program of research-education-counseling-advisory services represent the *citizens* in promoting improvement of public personnel management. It is supported by tax-deductible gifts from citizens, organizations, corporations and foundations who are concerned with the quality of public administration in our society. Membership is open to all who want to help improve government.

Nominating Instructions

Men and women in all grades and occupations, in the field, overseas, and in the departmental services are eligible. Nominees must meet the criteria established in this announcement.
